Forecast for Sunday 25 Aug 2024

Weather: Clear during the early hours, but cloud building early in the morning. Outbreaks of rain arriving by mid-morning, perhaps briefly turning heavy over some of the hills. Rain easing a touch in the afternoon but some light showers still possible and remaining rather cloudy with limited bright spells.

Chance of cloud-free hill tops above 600m: 90% in the early hours, dropping to 40% from mid-morning

Low cloud and visibility: Areas of cloud lowering to 500-700m as rain arrives during the day, bringing periods of very poor visibility. Conditions improving in drier intervals, with good visibility, but cloud still temporarily covering the summits.
